10000 mAh Dual Cable Power Bank

INSTRUCTION MANUAL

Thank you for purchasing the RichardSolo 10000 mAh 2-Port Power Bank. Please read these instructions before operation and save for future reference.

Parts Layout

- 1 OUT1 - (5V 2.1A) + Removable USB/micro-USB cable
- 2 OUT2 - (5V 2.1A) + Removable USB/Apple Lightning 8-pin cable
- 3 IN - (5V 2.1A) Micro-USB input port
- 4 4 LED charge capacity indicators (25%, 50%, 75%, 100%)
- 5 Power button

Charge 10000 mAh Dual Cable Power Bank:

- 1 Detach removable USB/micro-USB charge cable (1) and connect to micro-USB IN port (3).
- 2 Connect/charge via any powered USB port. Use USB/AC adapter (not included) for faster results.
- 3 Four LEDs (4) flash in 25% increments and remain solid when corresponding capacity is reached.

***Note:** For step 1, you may also use your own USB/micro-USB charge cable (not included). LEDs may not provide an accurate reading while battery is recharging. For optimum performance, make sure all LEDs have stopped flashing and remain solid to ensure full charge capacity. Total recharge time (0% - 100%) = about 5-6 hours.

Charging devices:

- 1 Connect attached micro-USB cable (1) to any micro-USB device*
- 2 For Apple Lightning devices, connect the Apple 8-pin cable* (2)
- 3 Press power button (5) to begin charging. Monitor charge status via screen icon on your device.
- 4 To stop charging, remove cable from your device.

**Alternately, completely remove either cable (1 or 2) and connect your own USB charge cable*

***Note:** Dual Cable Power Bank LEDs remain lit while device is charging and show remaining battery capacity. When device is full, Power Bank continues to safely trickle charge device. When charge cable is removed, Power Bank shuts off in about 30 seconds.

Tandem charging:

- 1 Connect your own USB/micro-USB cable (not included) to Dual Cable Power Bank charge port (3)
- 2 Connect to any powered USB port. Use USB/AC adapter (not included) for faster results
- 3 Connect electronic device(s) to either USB port (1 or 2) on Dual Cable Power Bank using attached cables or your own USB charge cable
- 4 Device(s) begin recharging — when fully charged, Dual Cable Power Bank recharges

***Note:** Tandem charging requires a longer charging time overall. For best results, tandem charge overnight.

Check remaining charge capacity:

Tap/release power button (5) to check remaining power bank charge capacity:

- 1 LED flashing = less than 25%
- 1 LED solid = about 25%
- 2 LEDs = about 50%
- 3 LEDs = about 75%
- 4 LEDs = about 75-100%

Specifications:

Capacity: 10000 mAh
Cell Type: Li-polymer battery
Input: DC 5V 2.1A micro-USB
Port 1 Output: DC 5V 2.1A USB (w/removable USB/micro-USB cable)
Port 2 Output: DC 5V 2.1A USB (w/removable USB/Apple Lightning cable)
USB/micro-USB cable length: 5" (12.7 cm)
USB/Apple Lightning cable length: 5" — (12.7 cm)
Battery measures: 5.79" x 3.0" x 0.55" (14.7 x 7.7 x 1.4 cm)
Weight: 8.15 oz. (231 g)

10000 mAh Dual Cable Power Bank

INSTRUCTION MANUAL

USB Compatibility:

Port 1 (2.1A): with removable cable for micro-USB devices

Port 2 (2.1A): with removable cable for Apple Lightning 8-pin devices

**Note: For added versatility, remove a cable and connect your own USB cable to either port.*

Maintenance:

- 1 Do not store in a depleted state — battery power cells can be damaged
- 2 Charge Dual Cable Power Bank at least once per month when not in use.
- 3 Keep unit dry — avoid damp conditions and corrosive materials.
- 4 Do not clean with harsh chemicals, soaps or detergents

Package Contents:

- 10000 mAh Dual Cable Li-polymer battery
- Instructions

Safety Instructions

Read all instructions and warnings prior to using this product. Failure to read and follow these safety instructions could result in fire, explosion, electrical shock or other hazard causing serious and/or fatal injury and/or property damage.

- 1 Do not modify, disassemble, open, drop, crush, puncture, or shred this product
- 2 Do not expose this product to rain or water
- 3 Avoid excessive heat (open flame, sunlight, etc.)
- 4 Keep away from high voltage devices
- 5 Keep away from children
